TO THE VOTERS OF ORANGE COUNTY. Shall Trickery be Allowed to Win?

I deem it proper to make the following statement in regard to the Democratic county convention held on the 30th of April at Orange:

April at Orange:
The Orange county Democratic committee designated Saturday, the 27th of April, as the time for holding primary elections at the different precincts, to send delegates to the convention of the 30th, which convention was authorized to nominate the Democratic candidate for the Constitutional Convention. Judges were provided at each precinct, whose duty it was to make return of those dele-gates who were elected to the convengates who were elected to the conven-tion. This duty the judges performed, and made return to the secretary of the Democratic committee, Mr. R. N. Robin-son, who printed the following in his newspaper, the "Orange Observer."

The Democratic primary election to select a candidate for the Constitutioal Convention, was held on Saturday last.
